

Response to Amendment

The reply filed on December 15th, 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): applicant's response does not present any arguments and/or amendments pointing out specific distinctions believed to render the claims patentable over rejection of claim 21 under 35 U.S.C. 112, first paragraph, in particular concerning the limitation of, "software instructions....causing the processor to establish a layered stack of protocols and a software interface". See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
